FUNDRAISING FOR THE FIRE VICTIMS IN GREECE

Supporting and assisting our fellow Greeks in all corners of the world, the Hellenic Congress of Quebec, the Hellenic Community of Greater Montreal and the Magic Mission Committee in collaboration with the Consulate General of Greece in Montreal, will in turn be supporting the families of the victims of the catastrophic fire, which unfairly took many lives and property of defenceless citizens, on Monday, 23 July 2018, in the various regions of Attica.

We urge all to participate in this vital fundraiser, in financially supporting Magic Mission. The funds raised will be sent to the affected municipalities in order to help the families of the victims.

Additionally, on **Sunday, July 29, 2018, at 1:00 p.m.**, a fundraising campaign and a musical concert benefiting the fire victims will take place at the **Hellenic Community Center Adrian Maris, 5757 Wilderton avenue**, with the kind participation of local Greek artists. General admission is \$30. The total amount raised, without the deduction of expenses, will be sent through Magic Mission to the people that were recently tragically stricken by the fires. We invite everyone to demonstrate, once again, sensitivity and solidarity towards Greece, a country in suffering. Our local Greek musicians will dazzle you with their notes and talent during this musical benefit.

We need everyone's support to help us as much as we can to help the victims of this tragedy. A tax-deductible receipt will issued for all donations.
