

# **ANNOUNCEMENT-INVITATION**

**From: NIKOLAOS FUDAS MEMBER OF THE HELLENIC COMMUNITY OF GREATER MONTREAL**

As a member in good standing of the Hellenic Community of Greater Montreal as well as one of the 106 members that signed the petition , submitted to the main offices of the Hellenic Community of Greater Montreal, located in the City of Montreal, by two active members of the organization, on behalf of all of the petitioning members. In said petition we request that the Members of the Board of Directors announce, organize and convene a Special General Community Meeting within 30 days from the date of receipt of the petition. The grounds of our petition is to elect an Audit Committee that is presently non-existent and goes against the internal bylaws, the constitution of the Hellenic Community of Greater Montreal and the laws of the province of Quebec that govern non-profit organizations.

The Hellenic Community of Greater Montreal has been constituted under the Quebec Business Act as specified in the Civil Code of Quebec. The Board of Directors of the Hellenic Community of Greater Montreal have responded in writing to the members to our justified request, which was worthy of a reply in writing within the 21 days following receipt of petition, as stated in article 352 of the Civil Code of Quebec which current administration has omitted to respect.

We, some members of the petition, uphold the protections the Civil Code of Quebec has vested upon us and we sent on Friday January 25, 2019 a notice in writing by Bailiff to notify the Board of Directors of the Hellenic Community of Greater Montreal, of our decision to announce, organize and convene the Special General Community Meeting with the purpose of electing an Audit Committee. Said committee shall be in force until the end of the tenure of the present administration of our organization. Be advised, our organization has been without such a primordial Committee for a long period of time and this goes against the bylaws, the constitution of the organization and the Quebec Laws.
