Re: Resignation

Dear Dr. Tsoukas,

I would like to thank you and the members of the Fund-Raising Committee (FRC) for not only the honorary appointment into the Fund-Raising Committee, but on making our collaborative efforts most memorable, whereby our results attest to the same. Moreover, and most importantly, I would like to say that I cherish the friendships that I made with some members of the Fund-Raising Committee; I sincerely thank all for that!

It is with regret that I have to tender my resignation, effective immediately, for reasons which are most obvious, and do not need to be mentioned, suffice it to say, and not giving credence, and/or a win, to the Executive Committee of the HCGM (more particularly, Voula Neofotistos (who is the head of the Exec. Comm. and/or Cabal, with outside advisors), Constance Karvelas, Andreas Crilis, and Achilles Nikopoulos) and their new Executive Director (Denis Kotsoros) for my resignation, the obstruction and malice bestowed by the Executive Committee, through its newly appointed Executive Director towards the FRC's efforts for the embetterment of the HCGM and its schools (for our children). Moreover, witnessing the gross incompetence and questionable activities of the Executive Committee, going unhindered, as if they are running a fiefdom, is more than distressing to me. I feel that all of my time, effort and resources invested for our HCGM community (our home; our family) are being put in vain, if there is no remedy to the aforesaid, i.e., continued reign of the existing Executive Committee and its agents (as referenced by myself, the "Cabal").

Again, I wish the Fund-Raising Committee continued success with its mission of achieving its milestones, by virtue of resolution ad hoc, and more importantly, with the continued support of the HCGM constituents.

Kindest Regards

John Moukas
